## **Flexopack UK, key sponsor of the International Cheese and Dairy Awards 2022**

The ICDA is the world's biggest platform to champion world class producers of cheese & dairy products attracting over 5,500 entries every year.

This year the awards are celebrating their 125-year anniversary. The event was held at the Staffordshire Show Ground and has concluded with great success.

Flexopack UK, a key sponsor of ICDA, also participated at the Trade Day (June 30<sup>th</sup>), with a stand dedicated to cheese packaging, at which we presented our cutting-edge developments in the field of flexible packaging and sustainability.

The visitors of the booth had the opportunity to discuss with our specialized colleagues, regarding the best possible solutions for cheese packaging, always with a view to obtaining increased shelf life and the optimal sustainability of the packaging.

Flexopack Group is a leading producer of flexible packaging used by major meat and cheese industries globally. Proudly celebrating 40 years of operational excellence, with multiple production facilities and subsidiaries around the world.

With significant presence across the Americas, Europe, Oceania and Asia, Flexopack offers expert advice on providing the best solutions for each customer.
