

Athens, November 2022

FLEXOPACK

Flexopack employees participate at the 39th Authentic Marathon 2022

Flexopack's group of volunteers, our #FlexopackRunningTeam, proudly participated in the 39th Athens Authentic Marathon, which took place on the 12th and 13th of November, 2022.

For another year, FLEXOPACK was represented by 26 runners who participated in the 5km, 10km and 42km race.

Congratulations to all participants who dare to test their limits, exert themselves and achieve their personal goals.

Flexopack Group is a leading producer of flexible packaging used by major meat and cheese industries globally. Proudly celebrating 40 years of operational excellence, with multiple production facilities and subsidiaries around the world.

With significant presence across the Americas, Europe, Oceania and Asia, Flexopack offers expert advice on providing the best solutions for each customer.
